Tutoring lesson recap brief

Purpose: Give a learner a short recap they can use before attempting homework.

Lesson topic: [Add your own information]

Skill practiced: [Add your own information]

Mistake to watch for: [Add your own information]

Corrected worked example: [Add your own information]

Independent exercise: [Add your own information]

How to check the answer: [Add your own information]

Next lesson connection: [Add your own information]

Story order: Recall the method, walk through the correction and assign one independent attempt with a way to self-check.

Review: A 60-90 second recap should focus on the learning step, using an anonymized example rather than a learner's private record.

For a video (if needed): target duration, narration language, required visuals and one next action. Confirm scope and quote before production.

Turn your PDF, PPTX pitch deck, or brief into a 30-180s narrated business video
